

**List of banknote equipment manufacturers (BEMs)**

The table below shows the banknote equipment manufacturers (BEMs) that have, to date, taken up the offer of testing with exemplar notes at the various stages (TP = Test print; MP = Mass production). In addition, companies that supply and maintain equipment have been offered mass production notes. If you are using equipment from a manufacturer that does not appear to be engaged in the testing programme, please contact

[neil.macnab@bankofengland.co.uk](mailto:neil.macnab@bankofengland.co.uk).
