

Form IC

Further analysis of credit card lending to UK residents

Credit card credit

This includes charge card lending (even if the outstanding balance is required to be paid off in full at the end of each charging period).

This form provides further analysis of sterling and euro items within items 29DB3A3 on Form BE. The Bank of England publishes the data in a monthly statistical release on lending to individuals.

This form should be completed only by those institutions specifically asked to do so by the Bank of England. The current criterion for inclusion in the sample of reporting institutions is:

Outstanding credit card balances greater than £100mn.
